AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT THE FIFTH DAY OF FEBRUARY, 1870.

Present: The Queen's Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honorable Lords Commissioners of the Admiralty, dated 23rd day of December, 1869, in the words following, viz:—

"Whereas We have had under consideration the subject of the Servants now allowed at the public cost to the Commanders-in-Chief of Your Majesty's Ships and Vessels at the Home Ports; their Secretaries; and the Superintendents of Your Majesty's Dockyards at Home; and whereas We are of opinion that it would be for the advantage of Your Majesty's Naval Service, and a saving of expense to the country, if a composition were granted to such Officers to enable them to provide their own Servants; We humbly beg leave to recommend that Your Majesty will be

graciously pleased, by Your Order in Council to establish the various Commuted allowances proposed in the following table:—

Station.	Rank.	Commuted Allowances
Portsmouth	Com.-in-Chief	£500 0 0
Devonport	ditto	500 0 0
Sheerness	ditto	400 0 0
Queenstown	ditto	250 0 0
Portsmouth	Sec. to Com.-in-Chf.	40 0 0
Devonport	ditto ditto	40 0 0
Sheerness	ditto ditto	40 0 0
Queenstown	ditto ditto	40 0 0
Portsmouth	Adm. Superintend.	200 0 0
Devonport	ditto ditto	200 0 0
Sheerness	Captain ditto	125 0 0
Chatham	ditto ditto	125 0 0
Pembroke	ditto ditto	125 0 0

This change to take place from the 1st April next, except in the cases of the recently appointed Commanders-in-Chief at Devonport and Queenstown, and any other Commander-in-Chief who may be appointed before that date.

And whereas we are further of opinion that the existing Office of Flag-Lieutenant to the Admirals Superintendent

of the Dockyards at Home is no longer required, and that unnecessary expense is consequently occasioned to the public: We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to abolish such Offices from the 1st of April next, or before then in case of any fresh appointment of a Superintendent.

"And whereas We have also had under our consideration the existing regulations on the subject of the Table Money allowed to the Commanders-in-Chief at Home, and Admirals Superintendent of Your Majesty's Dockyards at Home; and being humbly of opinion that it would be for the advantage of Your Majesty's Naval Service, if, when such Officers are on leave, they should not altogether lose their Table Allowances; We beg leave to submit that Your Majesty will be graciously pleased to sanction our proposal, that from the 1st of October last, Commanders-in-Chief at Home, Admirals Superintendent of Home Dockyards, be allowed half the amount of their Table Money during short leave or Absence when granted by the Admiralty, not to exceed six weeks in the year. The Lords Commissioners of Your Majesty's Treasury have signified their approval of the proposals."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions thereon accordingly. (Signed) ARTHUR BELLS

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

HALF-PAY.

1. My Lords are pleased to direct that in future every Officer entitled to Half-Pay shall, without application on his part, be placed on the Half-Pay List as soon as his full-pay ceases, and his accounts are cleared.

2. Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they, or any of the Officers under their command are discharged to Half-Pay, one of the Returns hereinafter specified, and headed respectively "(A) Foreign Service," "(B) Home Service."

3. The Form already required to be furnished, and specified at page 175 (Appendix) of the Addenda (1868) to the Admiralty Instructions, will suffice for Officers returning to Half-Pay from Foreign Service, intended as per specimen annexed and marked A.

4. Whenever an Officer is discharged abroad to return to England, who will be entitled to Leave of Absence on Full-Pay after arrival, the Forms headed "(A) Foreign Service," directed to be forwarded to their Lordships, the Commander-in-Chief, and the Accountant-General, are to be handed to him with his pay documents for delivery; but if he will not be entitled to such Full-pay Leave, it will only be necessary to furnish him with the Forms for their Lordships and the Accountant-General. The date of his leaving England, and also the circumstance under which he is returning home, are to be filled in previously; and should he take passage in a Ship of War, the date of arrival is to be inserted and certified by the Commanding Officer of the ship in which he takes passage; should he return to England in any vessel not belonging to the Royal Navy, then the date of arrival is to be inserted and certified by the Commander or Owners of such vessel.

These observations are to be initiated, as having been made and noted by the Junior Officers, by the Naval Commanders acting in that capacity; and they are to be made and noted, in red ink, by him. Observations are to be taken of correct results are obtained; by this means the Junior Officer will have the opportunity, by the exercise of his own powers, of obtaining full marks for his sights. A Junior Officer is to be assigned to each Officer examined, and he is to see that every paper he works out, together with the name of the ship, but he is never to write his name on the paper examining his observations.

As soon as it is allowed during the Examination of the Officers of the Royal Navy, the Nautical Almanac and the Admiralty are not permitted.)

Each Junior Officer's log is to be closely written up, and is to be examined and reported upon.

Each Junior Officer is to be examined as to his proficiency in gunnery, gunnery, and steam; the questions are to be asked by length of service, and marks are to be given according to proficiency—full numbers being 1000 for gunnery, 800 for gunnery, and 400 for steam.

In those ships where no Naval Officer is present, the Officer in Command will appoint another or other competent Officer to conduct the examination.

At the time of the written examination two or more Junior Officers are to be present, so that the examinations should be conducted by a stranger, rather than by an Officer belonging to the same Ship as the pupils.

When the examination is concluded, the worked papers are to be examined on board each ship by the Naval Commanders, or by the Officer who conducted the examination, and the results are to be sent to the Flag Ship of the Squadron, for the information of the Commander-in-Chief. The results are to be sent to the Flag Ship of the Squadron, for the information of the Commander-in-Chief, and are to be examined by the Naval Commanders, or by the Officer who conducted the examination, and the results are to be sent to the Flag Ship of the Squadron, for the information of the Commander-in-Chief. The results are to be sent to the Flag Ship of the Squadron, for the information of the Commander-in-Chief, and are to be examined by the Naval Commanders, or by the Officer who conducted the examination, and the results are to be sent to the Flag Ship of the Squadron, for the information of the Commander-in-Chief.

The examination, formerly held half-yearly by the Naval Commanders, is to be revived and held in December of each year, and the results communicated to the Commander-in-Chief in the usual form printed at page 64 of the Queen's Regulations.

In the case of emergency arise, such as "stress of weather," or to interfere with the authorised days, the examination is to be held as soon after as circumstances permit, and the results are to be reported to the full command of the ship.

ROBERT HALL.

CIRCULAR No. 44.—C.

Admiralty, 27th May, 1874.

PROVISIONAL EXAMINATION OF MIDSHIPMEN,
NAVIGATING MIDSHIPMEN, CLERKS, AND
ASSISTANT ENGINEERS.

My Lords Commissioners of the Admiralty have had under their consideration the inconvenience arising from the system now in force at the Home Ports, under which a Midshipman can only be examined in Seamanship for the rank of Lieutenant on a fixed day in each week, whereby a loss of seniority may be incurred in the case of an Officer whose qualifying period of service expired on an intermediate date, and are pleased to direct that for the future the Clause in the Queen's Regulations (Art. 12, p. 64), which, in the case of an Officer serving abroad, permits, under certain circumstances, of his being provisionally examined, shall be considered as extending to Officers serving in ships at Home, the Captains of which are empowered, with the aid of other competent Officers, to examine provisionally any such Midshipman as shall make application on the completion of his qualifying period of Service, and to grant him a Certificate if successful.

My Lords are further pleased to direct that such extension shall also apply in the case of Midshipmen belonging to ships attached to squadrons at sea, whenever the exigencies of the Service shall render it inconvenient to examine them in the usual manner on the completion of their time.

In the event of a Midshipman succeeding in passing the usual Examination on the next ordinary passing day at the Home Ports, or, in the case of Officers serving in squadrons, on the first opportunity that may be afforded him, his Certificate is to be antedated to the date of his provisional Examination.

This rule is also to apply to Navigating Midshipmen, Clerks, and Assistant Engineers.

By command of their Lordships,

ROBERT HALL.

1. The annexed form of Passing Certificate for the rank of Lieutenant or Navigating Lieutenant is to take the place of the form of Passing Certificate at present in use.

3. In order, however, to insure a sufficient knowledge of Gunnery and Navigation, candidates for examination in Seamanship abroad, are, if Midshipmen, to produce certificates of proficiency in Gunnery and Navigation, and if Navigating Midshipmen, a certificate of proficiency in Navigation. Such certificates are to certify, and be signed, as follows:—

a. The Gunnery certificate is to state that the officer is well acquainted with the Gunnery duties as laid down at page 182 of the "Manual of Gunnery," as modified by the alterations of 1874, and is to be signed by the Gunnery Officer, and approved and signed by the Commanding Officer.

4. These certificates are to be made out a fortnight before the day of the examination in seamanship. In cases, however where the Commanding Officer, or any of the officers who have to certify, have doubts as to the candidate's qualifications, the Commanding Officer is to order him to be specially examined by the officers named in the preceding paragraphs, in order that, if found qualified, he may receive the necessary certificate for Gunnery or Navigation, or both, as the case may be.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present by an Inspector of Machinery Afloat, or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the requisite periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special charge." REGULATIONS FOR THE ENTRY AND EXAMINATIONS OF CANDIDATES FOR COMMISSIONS IN THE ROYAL MARINE ARTILLERY AND LIGHT INFANTRY.

[Under Revision.]

NAVIGATING AND PILOTAGE DUTIES ON BOARD HER MAJESTY'S SHIPS.

CIRCULAR No. 49.—C.

Admiralty, 7th August, 1873.

My Lords Commissioners of the Admiralty, being desirous of employing a certain number of Commanders, Lieutenants, and Sub-Lieutenants to perform the Navigating and Pilotage duties on board Her Majesty's ships, are pleased to make the following Regulations:—

1. Their Lordships propose, in the first instance, to appoint to Navigating Duties five Lieutenants under four years' standing, and twenty Sub-Lieutenants. Officers of these ranks, who are desirous to obtain such appointments, are to send in their applications to the Secretary of the Admiralty.

2. Officers whose applications are approved, will be required to pass the Pilotage examination in the Hydrographical Office, Whitehall. Facilities will be afforded to Lieutenants for preparing for this examination at Portsmouth, or at such other place as their Lordships may from time to time determine. Sub-Lieutenants will receive instruction under the Navigating Officers of the ships in which they are serving.

3. No Lieutenant will be eligible for examination until he has completed one year's service at sea as a Lieutenant, but my Lords will appoint Lieutenants who apply for these appointments to sea-going ships to complete their year's sea time if necessary. Every Sub-Lieutenant who has elected Navigating Duties will, when promoted to the rank of Lieutenant, be appointed to a sea-going ship to serve one year as a watch-keeping officer.

4. Within the first five years of their service, Lieutenants accepting Navigating Appointments will be required to go through a short course of gunnery in the 'Excellent' or 'Cambridge'; and in the Quarterly Returns of gunnery from Her Majesty's ships, it will be reported whether they are competent to drill quarters, and are conversant with the rifle and sword exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

5. Commanders holding Navigating Appointments will receive the pay of their rank. Lieutenants under five

years' standing, and Sub-Lieutenants performing Navigating Duties when duly qualified will receive 2s. 6d. a day in addition to their pay; Lieutenants over five years', and Lieutenants who have passed for 1st-class ships, 4s.

6. Officers who have elected Navigating Duties will be retained on the Executive List with the letter N, or other symbol, attached to their names.

7. As it is their Lordships' intention that the Navigating and Pilotage of Her Majesty's ships shall be performed, under the Captain's direction, by Officers specially trained in those duties, such Officers will not, under ordinary circumstances, be expected to share in the general duties of watch-keeping, &c. They are, however, to take the position to which their seniority may entitle them, and are not to be exempt from the performance of the duty of Commanding Officer in the absence of the Captain or other their Superior Officer.

8. On his promotion to Commander, the Officer who has served as Lieutenant for Navigating Duties, and is qualified for 1st-class ships, may continue to perform Navigating Duties as Commander, or will be considered for other employment with Officers of his rank; and nothing in these Regulations shall interfere with promotion to the higher ranks.

By Command of their Lordships,

ROBERT HALL.

To all Commanders-in-Chief, &c.

To all Commanders-in-Chief, &c.

tures, the Principles of Mechanism, and the Theory of Machines.

4. Nautical Astronomy, Surveying, Hydrography, with Maritime Geography, Meteorology, and Chart Drawing.

5. Experimental Sciences:—

a. Physics, viz., Sound, Heat, Light, Electricity, and Magnetism.

b. Chemistry.

c. Metallurgy.

6. Marine Engineering in all its branches.

7. Naval Architecture in all its branches.

8. Fortification, Military Drawing, and Naval Artillery.

9. International and Maritime Law; Law of Evidence and Naval Courts Martial.

10. Naval History and Tactics, including Naval Signals and Steam Evolutions.

11. Modern Languages.

12. Drawing.

13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organization of the College will be as follows:—

A Flag Officer will be President; he will be assisted by a Captain in the Royal Navy in matters affecting discipline, and in the internal arrangements of the College unconnected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction, and the various courses of study.

There will further be—

A Professor of Mathematics.

A Professor of Physical Science.

A Professor of Chemistry.

A Professor of Applied Mechanics.

A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Tactics, and Hygiene.

A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two Instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

(a) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.

(b) Gunny Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) in the College at Greenwich before commencing their practical course in the 'Excellent' instead of, as at present, a term of seven months after they have completed it.

Officers, on applying to qualify as Gunny Lieutenants, if they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship in order to complete the year's service required before they commence their studies.

(c) My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been considered.

(d) All acting Second Class Assistant Engineers will in future be sent to Greenwich, after leaving the dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, My Lords are particularly anxious that young Lieutenants should at once, on their promotion to that rank, avail themselves of the advantages of the College before their turn would come for appointment to a ship. The regulations specify allowances which are intended to remove any pecuniary difficulties in attending the College; and special consideration for ap-

pointments will be given to Lieutenants who thus go in so useful a manner the time necessarily spent on it.

Arrangements have been made for the admission of Naval Engineer Officers to the College, which will give them time spent at the College from entailing any loss upon them.

The School of Naval Architecture at South Kensington will be absorbed in the Royal Naval College, Greenwich. The regulations for the admission of Engineer Students of Dockyard Apprentices have been so framed as to provide as nearly as possible for the same as for those of their instruction as that which is now afforded at Kensington. Further regulations will be issued by Lordships in regard to the admission of private students to the course of study at the College on similar conditions to those now existing at South Kensington.

My Lords have further determined to admit a number of Officers of the Mercantile Marine as Students of the College, enjoying the full advantages of the course of instruction and tuition by the Educational Committee, while Officers of the Army, generally of application, be allowed to attend courses of lectures.

The paramount object which My Lords have pursued in the organisation of the College has been to provide efficient means for the higher education of Naval Officers, adequate to the constant and increasing requirements of Service; but My Lords also anticipate great advantage from the results likely to accrue from the connection which will be established through the College between distinguished in the various departments of scientific, physical, and chemical knowledge, and the practical problems which so vitally interest the navigator, the architect, and the naval engineer.

My Lords expect the College to become, not only an educational establishment affording the means of advanced training in theoretical subjects to Naval Officers, but also a nucleus of mathematical and natural sciences specially devoted to those branches of investigation which have most interest for the Navy.

REJECTION OF ACTING SUB-LIEUTENANTS AT THE EXAMINATION IN GUNNERY ON BOARD HER MAJESTY'S SHIP "EXCELLENT."

[Circular No. 8 (C) of 30th Jan., 1873, p. 8, d. c.]

My Lords Commissioners of the Admiralty have brought into consideration the fact that, although failure on part either of Midshipmen to pass their examination in gunnery for the rank of Lieutenant, or of Acting Sub-Lieutenants to pass their final examination in Navigation at the Royal Naval College, involves a loss of seniority in cases to a considerable extent, no such penalty is imposed in the case of rejection at the examination in Gunnery on board Her Majesty's Ship "Excellent"—and hereby directs that for the future one month's seniority shall be forfeited for such rejection.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,
the 4th day of August, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August, 1873, in the words following, viz.:—

"Whereas in Your Majesty's Order in Council of 22nd February, 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows:—

"Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion."

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"Captains who have been, or who may in future be, retired from that rank under Your Majesty's Order in Council of 22nd February, 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August, 1873, cancelling this.]

"And whereas clause five of section two of Your Majesty's Order in Council is as follows:—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers, he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea: Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"(a) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service."

"And whereas we are of opinion that the above-recited clause may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunners Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above-recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled, and the following sub-clause substituted:—

"(a) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship subject to the following exceptions:—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August, 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"This shall not apply to any Officer who retired before 1st August, 1873.

"3. Service subsequent to 1st August, 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall in such cases as we may direct count as Service in a Ship of War at sea."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) EDMUND HARRISON.

vacancies in any year, the excess not to be filled up in that year.

"5. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commanders, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"6. That, for the present, we be authorized to sanction the optional retirement of Flag Officers and Captains at the following ages, viz. :—

Admirals and Vice-Admirals	55
Rear-Admirals	50
Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the

sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"6. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased by, and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

G. L. PEEL.

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 18th of May, 1870, in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February, 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, We would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Enquiry in connection with naval matters of importance, we are of opinion, that, considering the value of such service to count as full service as regards Pay, Half-Pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-Pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment; that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies

which may be caused by Retirement, or Promotion on Retirement, until the Lists may be reduced to the numbers authorized by Your Majesty's orders in Council; and we would beg to point out that for making such promotion in the ranks of Commander, and Lieutenant, was contained in the Council of 22nd of February, 1870.

"4th. As regards the promotion on Retired Commanders and Paymasters, whereas by Your Majesty's Order in Council of 22nd February, 1870, Staff Commanders having served 30 years as Navigating Lieutenant and Staff Commanders when retired, the rank of Retired Captain, having served 16 years in those ranks shall rank of Retired Commander; and by Your Majesty's Council of 9th July, 1864, it is laid down that who may have completed 20 years' service, as Paymaster's time, and not more than 4 years as Assistant Paymaster, shall be retired with the rank of Retired Captain; and whereas by Your Majesty's Council of 22nd February, 1870, it has been ordered that those Officers shall be granted the rank of Captain and Retired Commander only if we are of opinion that it will be for the service of Your Majesty's Service that similar conditions be applicable to the Promotion on Retirement of Commanders and Paymasters, so that those Officers no longer be entitled to claim the respective rank of Captain, Retired Commander, and Paymaster removed from the Active List, but that they should, in addition to the above-mentioned rank, be governed also by qualifications for promotion in service: We therefore humbly propose that such Promotions on Retirement be made in accordance with the above-mentioned Regulations. We beg further to represent that, so far as the interests of the service are affected, the Lords Commissioners of the Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of the Privy Council, to approve of what is therein proposed, and to give the necessary directions accordingly.

not less than 10*l*. if Engineer for special charge or Engineer; 80*l*. if Assistant Engineer 1st class, or 65*l*. if Assistant Engineer 2nd class, provided in each case that they are retired at 45 years of age.

9. The existing powers vested in Us, of granting lower rates of half-pay in cases of misconduct, to be extended to pensions.

10. All Engineer officers to be allowed, at their request, Greenwich Hospital Pensions, under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering Act 32 & 33 Vict., cap. 32.

Temporary Provisions.

1. Until the list of Engineer officers shall have been reduced to the proposed numbers, officers of any age may, with their consent, and at Our discretion, be pensioned on the scale they have earned by service.

2. Power to be reserved to Us to suspend at any time, and with respect to these ranks, the above provision age earlier than that fixed for compulsory retirement in each rank.

3. "Engineers for special charge," and Engineers now on the Active List, not to be compelled to retire until they have attained the age of 50, unless they have either not served at sea for six years, or are physically unfit for service.

All present rules and regulations, except in so far as they are hereby expressly altered or limited, shall be deemed to remain in force.

We would represent to Your Majesty that, though some additional immediate expenditure may be entailed in order to carry out these propositions, considerable economy will be the ultimate result of their working; and that the Lords Commissioners of Your Majesty's Treasury have concurred in these arrangements.

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereinafter accordingly.

"Whereas Your Majesty was graciously pleased, by Order in Council of the 5th February, 1872, to establish Regulations for the Retirement of Sub-Lieutenants of Your Majesty's Navy; and whereas, having had under our consideration the present state of the Active List of Navigating Sub-Lieutenants, we are of opinion that it is necessary to establish Regulations for the Retirement of Officers of that rank, we would therefore humbly submit to Your Majesty the following proposals:—

2. Retired Pay to be granted as follows: after three years' seniority, 2s. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Navigating Sub-Lieutenant until the maximum is reached, viz., 4s. per diem.

Council of 22nd February, 1870, relating to Navigating Officers, &c.; time, during which a Navigating Sub-Lieutenant may be on Half-Pay after he has served three years in that rank, to reckon in the proportion fixed by the said Order in Council.

5. Navigating Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their Retired Pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act, 34 and 35 Vict., cap. 56.

6. The existing rules as to Half-Pay to Navigating Sub-Lieutenants while on the Active List to remain in force.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 7th of August, 1872, in the words following, viz. :—

"Whereas we have had under our consideration the position of Inspectors-General and Deputy Inspectors-General of Hospitals and Fleets in Your Majesty's Fleet, with reference to the provisions of Your Majesty's Order in Council of 22nd February, 1870, and especially to the provisions that Service shall mean Service on Full Pay, and whereas Inspectors-General are not called upon to serve except in charge of Naval Hospitals at home; and whereas it is provided by the Order in Council of the 7th August, 1869, that no Deputy Inspector-General of Hospitals and Fleets shall be promoted to the rank of Inspector-General of Hospitals and Fleets, unless he shall have served five years as a

Deputy Inspector-General during three years of which period he shall have been in charge of a Foreign Hospital, or of a Fleet or Squadron; and whereas a Deputy Inspector-General cannot serve otherwise than in the capacities mentioned, except in charge of a Naval Hospital at home; and whereas the service of any Inspector-General or Deputy Inspector-General in charge of a Naval Hospital at home or abroad, though not Service on Full Pay, is upon salary equal thereto, we are of opinion that Service by any Inspector-General or Deputy Inspector-General in charge of a Naval Hospital at home or abroad should be held to be Service for the purposes of the said Order in Council of the 22nd February, 1870; and we humbly beg that Your Majesty will be graciously pleased by Your Order in Council to give directions accordingly."

RETIREMENT OF MEDICAL OFFICERS.

CIRCULAR No. 12.—C. W.

Admiralty, 6th March, 1873.

MEDICAL OFFICERS OF THE NAVY.

My Lords Commissioners of the Admiralty having had under their consideration the position of the Medical Officers of the Navy, are pleased, under the authority of Her Majesty's Order in Council of 4th February, 1870, to establish the following regulations:—

1. Surgeons on entry to have the same relative rank as Paymasters, Chief Engineers, and Naval Constructors, namely, to rank with Lieutenants under eight years' seniority, and to wear uniform corresponding to such relative rank.
2. Staff Surgeons to be denominated "Fleet Surgeons," and Staff Surgeons Second-class simply "Staff Surgeons;" the distinction in rank between those two grades to be denoted by a small difference in the uniform of the Staff Surgeon, who, instead of three stripes of gold lace round the sleeve of the coat, which the Fleet Surgeon will wear, will wear two stripes of gold lace with a stripe of narrow gold braid between.
3. Inspectors-General to be compulsorily retired at the age of 60; to be allowed 2l. per day, provided they shall have completed the period of service now required to entitle them to the maximum Half-pay of their rank; should they not have completed such period of service, they will be retired at the rate of Half or Retired Pay specified in the Order in Council of 23 Feb., 1870.
4. Deputy Inspectors-General to be compulsorily retired

at 40; if in the first six of their rank, to be allowed 33s., others 30s. per diem, provided that they shall have completed the period of service now required to entitle them to the maximum Half-pay of their rank; should they not have completed such period of service they will be retired at the rate of Half or Retired Pay specified in the Order in Council of 23 Feb., 1870.

5. Fleet Surgeons and Staff Surgeons to be placed on the same scale of retirement as Chaplains and Naval Constructors, Secretaries, and Paymasters; that is, the maximum to be 400l. per year instead of 400s.
6. Fleet Surgeons to have the option of retiring after 20 years' Full Pay service in all ranks at 15s. per day, and after 25 years' Full Pay service at 21s., subject in each case to their Lordships' approval, but of those now on the list not more than 10 to retire under this clause in each year (the Officers having the option according to seniority), unless their Lordships should approve (with the consent of the Treasury) of a larger number so retiring. Applications from Officers wishing to retire under this clause should be lodged at the Admiralty before the 30th November in each year. In order that they may be dealt with, according to seniority, before the end of the year.
7. All Medical Officers hereafter entered to have the option of so retiring, subject to the approval of their Lordships in each case.

ORDER IN COUNCIL, No. 17.—P.

At the Court at Osborne House, Isle of Wight,
the 9th day of August, 1872.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 8th of August, 1872, in the words following, viz. :—

"Whereas by Your Majesty's Order in Council, dated the 22nd day of February, 1870, certain rates of Half-Pay were established for Captains in Your Majesty's Navy, and certain regulations laid down for the grant of Good Service

Pensions to Officers of that rank; And whereas we are humbly of opinion that it would be for the advantage of Your Majesty's Naval Service to alter some of the provisions under which Good Service Pensions are now held by Captains, and to reduce the number of such Pensions, in increasing at the same time the Half-Pay of all Officers of that rank: We do, therefore, beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to grant, from the 1st day of October, 1872, an addition of 2s. 6d. to each rate of Half-Pay provided by Captains; to declare the paragraphs 3, 6, and 7, of section IX. of the said Order in Council shall no longer apply to Captains' Good Service Pensions, and that, subject to the temporary provisions hereinafter stated, the following be

RETIREMENT OF OFFICERS OF R. MARINES (1870), &c. 415

provisions be established with regard to such Pensions, in addition to the other regulations in the said Order, in Council, which remain in full force:—

1. Captain's Good Service Pensions to be limited in number to 12, each of £150 a-year, and to be awarded to Officers on the Active List for distinguished service at sea, preference being given, in cases of special gallantry, to Officers who have commanded a ship in action against the enemy.

2. The emolument of the Pension to be drawn by the Officer irrespective of the receipt of Full-Pay, or Half-Pay, or Civil Salary.

And we further beg leave to recommend the following temporary provisions, namely, until the number of Captains now holding Good Service Pensions be reduced to 12, one only in every two vacancies created amongst the present pension holders to be filled up; and the emolument of any Good Service Pension, granted subsequently to the 1st day of April, 1870, not to be drawn by Officers on Full-Pay or in receipt of Civil Salary. The Lords Commissioners of Her Majesty's Treasury have signified to us their concurrence in the proposals.

Her Majesty having taken the said Memorial into consideration, was pleased by and with the advice of Her Privy Council to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL, No 7.—P.

At the Court at Windsor,
the 5th day of May, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

When there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of February, 1870, in the words following, viz:—

Whereas we are of opinion that it will greatly tend to the efficiency of Your Majesty's Service were We empowered to introduce certain alterations into the existing system of Promotion and Retirement of Officers of Your Majesty's Royal Marine Forces. We would, therefore, venture to submit to Your Majesty the following propositions:—

1. That the system of compulsory retirement be extended to all the higher grades, so as to cause a more even and constant flow of promotion;

2. That a scheme of retirement be established on a scale more liberal than that now existing, and more duly proportioned to the length of the service of Officers.

Should Your Majesty be pleased to approve of these Our propositions, We would humbly submit that the same should take effect from the 1st of April, 1870.

As relates to Officers of the Royal Marines.

1. There shall be a fixed establishment of twelve General Officers of Royal Marines, to be appointed as follows:—

To the Artillery Branch:—

1 General.
1 Lieutenant-General.
1 Major-General.

To the Infantry Branch:—

2 Generals.
2 Lieutenant-Generals.
2 Major-Generals.

2. Every vacancy on the fixed list of General Officers in each branch to be filled, as the case may be, by the senior Lieutenant-General or Major-General of that branch, or by the senior Colonel of that branch on the reserved list, or

Admiralty, dated the 3rd of May, 1873, in the words following, viz:—

"Whereas Your Majesty was graciously pleased, by Your Order in Council, dated the 9th day of August, 1872, to reduce the number of Good Service Pensions for Captains of Your Majesty's Navy, and to direct that the emoluments of the Pension might be drawn irrespective of the receipt of Full Pay, or Half Pay, or Civil Salary:

"And whereas, in the said Order in Council, there was a temporary provision sanctioned by Your Majesty, to the effect that until the number of Captains, holding Good Service Pensions is reduced to twelve, the emolument of any Good Service Pension granted subsequently to the 1st day of April, 1870, shall not be drawn by Officers on Full Pay, or in receipt of Civil Salary:

"And whereas, on reconsideration of the matter, we are humbly of opinion that it would be desirable to cancel the said temporary provision from the 1st day of April, 1873, thus dating back to the commencement of the present financial year the arrangement which would probably not come into operation until its close:

"We do, therefore, beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to cancel the said temporary provision, and to declare that on and after the 1st day of April last, the emolument of a Good Service Pension may be drawn by a Captain, irrespective of the receipt of Full Pay, or Half Pay, or Civil Salary.

"The Lords of Your Majesty's Treasury have signified their concurrence in this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of December, 1871, in the words following, viz:—

"Whereas Your Majesty was, by Your Order in Council of 22nd February, 1870, most graciously pleased to sanction certain alterations in regard to the retirement of Officers in Your Majesty's Royal Marine Forces, whereby the effect is that service will not reckon for retirement until after 20 years of age: And whereas we are of opinion that the Regulations in respect of age should be modified in favour of those Officers who entered the Royal Marine Forces previous to the 1st April, 1870, the day on which, by Your Majesty's Order in Council before mentioned, the said Regulations came into force: And whereas we deem it expedient, with the view of increasing the efficiency of Your Majesty's Royal Marine Forces, to provide, as a temporary measure, for the Retirement upon Annuities of a limited number of Officers whose services are not sufficient length to bring them within the scale established by Your Majesty's Order in Council aforesaid: We do therefore, most humbly submit that Your Majesty will be pleased to sanction, with reference to the aforesaid Officers the following modifications and temporary extension of the aforesaid Order in Council:—

1. That all Officers who entered the Royal Marine before 1st April, 1870, and who obtained their first Commission before attaining 18 years of age, be allowed to reckon their service for retirement from the age of 18: those who entered at or after 18 years of age, to reckon their service from the date of their first Commission, be the maximum rates of Retired Pay, fixed by Clause 14, of the aforesaid Order in Council, shall, under no circumstances, be exceeded.

2. That until the Royal Marine Forces shall be reduced to numbers proportionate to the requirements of Your Majesty's Service, we be authorised to permit Officers 18 years' service or upwards to retire permanently, if we so fit, upon Annuities in accordance with the following scale:—

COAST GUARD. GENERAL ORDER.—N.

Admiralty, 16th July, 1872.

Commanders of the Admiralty having been informed that a feeling exists among certain Officers of the Coast Guard, of the Order in Council of the 22nd February, 1870, they are entitled to the same pay as if they were in the Royal Navy; the question relative to rank, pay, and pension of Officers of the Coast Guard has been referred to the Queen of the Crown, who have given their decision.

Under the Coast Guard Act of 1856, Officers employed in the Coast Guard are not entitled to the same rank and pay which are or may be given to Officers of the Royal Navy.

The Coast Guard Act of 1856 does not entitle Officers of the Coast Guard to count service in the Royal Navy towards increase of pay, &c., in the same manner as service in Her Majesty's Ships at sea.

As to Navigating Officers employed in the Coast Guard, they are not entitled to the increased pay, &c., by the Order in Council of the 22nd

February, 1870, to Navigating Officers in Her Majesty's Fleet.

4th. That Chief Officers of Coast Guard cruisers are not entitled to receive the minimum pay given to Navigating Lieutenants by Order in Council of the 22nd of February, 1870.

5th. That 2nd Class Chief Officers of the Coast Guard are to be considered of the rating of a distinct class from the rating of First Class Warrant Officer in the Navy, and are not entitled to the increased pay and pension given to the latter by the Order in Council of the 22nd February, 1870.

6th. That the rights of pay and pension of Officers employed in the Coast Guard may be regulated by Orders in Council.

Their Lordships are pleased to circulate this decision for general information.

By Command of their Lordships, ———

ROBERT HALL.

To the several District Captains, &c.

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

By Order in Council of June 25th, 1851, the Admiralty was pleased to sanction certain arrangements by the Board of Admiralty, with a view to the better service of the Naval Service, and, at the same time, to the relief of the present charge for half-pay of Officers of the Admiralty hereby made in which the arrangements in question are to be carried into effect.

Flag Officers will in future be reduced to the number of the Fleet; of those 21 to be Vice-Admirals, and 51 Rear-Admirals: this will be effected as follows, viz.—

First, a Reserved Half-pay List those Officers of the Active List who have not served for 20 years in Council of 30th June, 1837. These Officers, as at present, the Half-pay of which they will be allowed the same advantage as if they had remained on the Active List.

Second, Retired Service Pensions, of 1801. Officers who are either above 70 years of age, or incapable of further Active Service, will be placed on the Reserved List, and the pension of death to be filled up from the Reserve List will not be held in addition to the Pension.

1866.

By Order in Council of 1866, the Reserve List was to be extended to all the Officers who were retired on attaining 70 years of age, or were incapacitated for service.

CAPTAINS.

1847.

By Order in Council, published in the London Gazette, and carried out by Her Majesty's Order in Council of 1847, provides:—

Officers of Retired Rear-Admiral shall be given, if they are not applicants for the 14s. 6d. Half-pay, the 12s. 6d. Half-pay, with the pay of 11. 5s. per diem, and the corresponding pension to their widows, if they are not applicants.

Officers of Retired Rear-Admiral shall be given to apply for the 12s. 6d. and 10s. 6d. Half-pay, if they are not less than 20 years' standing in the Navy. Officers from both Lists to be permitted to apply for Retired Rear-Admiral at the same time as they have obtained the Flag by Seniority.

3. Vice-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice- and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 25:—

Admirals of the Fleet and Admirals 21

(But not to be more than three Admirals of the Fleet at one time.)

Vice-Admirals 22

Rear-Admirals 43

Total 85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 11. List to be filled up, in turn of Seniority, by Officers then accepting the 18*l.* per diem; but no new admissions to the 11. 5*l.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 11. 5*l.* per diem, and the remaining 75, 11. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reductions shall be effected as follows, viz.—

- B. 1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flag, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.
- E. 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captain's List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.
- 3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:

If on 10s. 6d. Half-pay List when retired . . .	18s. per diem.
If on 12s. 6d.	20s. " "
If on 14s. 6d.	21s. " "

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20s. per diem.

Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

1864.

1. The Active List of Captains to be reduced from 350 to 300.
- T. 2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:
- | | |
|---|---------------|
| If on 10s. 6d. Half-pay List when retired . . . | 18s. per diem |
| If on 12s. 6d. " " " " " " " " | " " " |
| If on 14s. 6d. " " " " " " " " | 20s. " " |
- Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in Paragraph 8.
3. The above system of retirement to be extended to Captains who may have attained the age of 65, provided they be willing and desirous to accept the same, subject to the proviso contained in Paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.
4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they

shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years; and, if less than that period of service, at the rate of 14s. a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in Paragraph 8.

5. A limited number of Captains who may have attained the age of 60, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day; subject, however, to the proviso contained in Paragraph 8.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 30s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

- H. 1851.

REGULATIONS FOR THE ADMISSION OF BOYS TO GREENWICH HOSPITAL SCHOOL.

Established under Order in Council of 4 February, 1875.

I. The School will consist of 1000 boys, the sons of petty officers and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy or Coast Guard, and of other seafaring persons.

II. All claims for admission to the school will be judged of by a Committee of Selection appointed by the Lords Commissioners of the Admiralty, in the following order of precedence, special consideration being given to length of service at sea:—

1. Orphans, both parents dead.
2. Sons of fathers killed, drowned, deceased, wounded, or seriously maimed in Her Majesty's Service, or while employed by Her Majesty on board a merchant ship for in action with an enemy, pirate, or rebel.
3. Those whose fathers having served in the Royal Navy or Marines, are dead.
4. Those whose fathers are serving, and whose mothers are dead.
5. Sons of Naval and Marine Pensioners, and of seamen or marines now serving, both parents living.
6. Sons of seamen* or marines entitled to the benefits of Greenwich Hospital, not included in the foregoing classes.
7. Sons of other seafaring persons.

N.B.—The sons of commissioned and other officers are not absolutely excluded, provided that the peculiar circumstances of their case render them eligible for this charity.

III. Applications for admission are to be made to the Secretary of the Admiralty (Greenwich Hospital Branch), when the necessary forms will be sent, which, after being properly filled up, must be returned as directed, with the three following certificates:—

- (a.) A certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.
- (b.) Register of the child's birth.
- (c.) A certificate, from the clergyman of the parish to which the boy belongs, or from the minister of his denomination, or from the master of the school at which the boy has been educated, as to his character and moral conduct.

* Including the Royal Naval Reserve.

IV. The services of the father upon which the claim is founded will be ascertained at the Admiralty, and due notice will be given without further application, should the child be selected for admission into the School.

V. Boys are eligible for admission between 10 and 15 years of age; they must be physically fit for sea-service, able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic.

VI. Applications will not be received until the candidates are 10 years of age, nor after 11 years of age, except under very special circumstances.

VII. Boys will be discharged from the General Division on the first day of the month succeeding that in which they shall attain thirteen years of age, unless they volunteer, with the consent of their parents or guardians, to enter the Royal Navy as boys, in which case, if they be reported physically fit, they will be retained in the school until fifteen years of age, and then entered for continuous service in the Royal Navy.

VIII. Vacancies, occasioned by boys unwilling or unfit to serve in the Royal Navy, will be filled up by selection from the sons of seamen and marines who are thirteen years of age, fit and willing for service in the Royal Navy, and able to pass a sufficient examination in reading, writing, and arithmetic.

IX. Applications for admission of boys at the age of thirteen must be made six months previously, in the same manner as above directed, and the parents or guardians shall sign an agreement before the boy is admitted, that he shall serve in the Royal Navy for a period of ten years' continuous and general service from the age of sixteen, in addition to whatever period may be necessary until he attains that age.

X. The Selected Division will consist of eighty boys, who will be entered from the General Division by competitive examination. At the age of thirteen, the boys in this division of the school will be required to enter into an agreement jointly with their parents or guardians, to enter the Royal Navy at the conclusion of their tuition, in such capacities as they may be found best qualified to fill. If they then be reported physically fit, they will be retained in the school until fifteen and a half years of age, otherwise they will be discharged.

XI. Should there not be a sufficient number of boys qualified to fill the positions of pupil teachers, writers, and ship stewards' boys in the Royal Navy, from the selected division, boys from the general division, who may volunteer, and who are able to pass the necessary examination, will be appointed as may be required.

XII. The education of the boys in the general division will comprise the usual elements of a sound English education, alternating with practical seamanship, and other industrial occupations designed to prepare them for a seafaring life.

XIII. In the 'selected division' elementary mathematics and mechanics, navigation, nautical astronomy, and French will be taught.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date we have graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Nineteenth Day of May One thousand eight hundred and sixty-six, regulating, according to the Scheme set forth therein or recognised thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of Our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being made, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances

to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows: videlicet—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed: that is to say—

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such ports by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belong to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be observed,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been attached as aforesaid.

A commander-in-chief or other flag officer belonging to a station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised in which the prize or prizes is or are taken, and actually have taken upon him such command.

Every commodore having a captain under him, shall be deemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving as first captain to the admiral and commander-in-chief of a fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or more, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as a flag officer of such fleet.

No officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commensurate than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior position or office.

With reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of being directed to join a flag officer on any station he shall be deemed to be under the command of such flag

officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he shall have received some order directly from, or be acting under the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, commanding lieutenant commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain as the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating officers of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop or each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in second class, and field officers of marines (artillery or light infantry) or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines (artillery or light infantry) or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, and sloops, and vessels of war, and actually on board or absent on duty in a prize (who it is Our will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

Admiralty, 8th October, 1831.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1831, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

(INSTRUCTIONS FOR THE EXAMINATION OF OFFICERS,
MEN, AND BOYS FOR ADMISSION INTO THE ROYAL
NAVY AND MARINES.)

As a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of scurvy, or injuries of the bones of the head, whether his speech or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

In the entry, should the person present no outward appearance of malice, he is to be directed to divest himself of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

It is certain that there is a proper and just proportion between the different members of the body, that there is no great weakness or deformity, that the limbs are of equal length, strong and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, that the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are strong and sufficient in number.

It should be carefully examined in reference to its size and capacity, and the condition of the heart and lungs should be ascertained by auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained organs, or of the abdominal wall, or of the presence of hernia from whatever cause.

the following Officer shall next direct the person to
stand, and slowly raise his arms until the hands meet above
his head; he is then to
flex the elbow and wrist joints; to flex and extend the
forearm and pronate the forearm; to flex and extend the
wrist and pronate; and, by holding on by a rope about the
middle of the weight of the body clear of the ground
bear this weight, with each hand, for at least five
seconds.

No person is to be admitted into Her Majesty Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submit to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they assess, of such magnitude as to entirely disqualify a man or boy for the service. Observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nomenclological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

CIRCULAR No. 10.—LMM.

Admiralty, 10th February, 1874.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

Her Majesty, by Order in Council of 12th December, 1873, having been pleased to sanction the following Regulations for the discipline of Land Forces embarked as Passengers on board Her Majesty's Ships, the Lords Commissioners of the Admiralty are pleased to direct the Captains of Her Majesty's Ships to govern themselves accordingly.

At the Court at Windsor,
the 12th day of December, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of December, 1873, in the words following, viz.:

"Whereas it is provided by Section 88 of an Act passed in the twenty-ninth year of Your Majesty's reign, entitled 'An Act to make Provision for the Discipline of the Navy,' as follows—

"Her Majesty's Land Forces, when embarked on board any of Her Majesty's Ships, shall be subject to the provisions of this Act to such extent and under such Regulations as Her Majesty, Her heirs and successors, by any Order or Orders in Council, shall at any time or times direct."

"Whereas Your Majesty was graciously pleased by Your Order in Council of the 22nd day of February, 1870, to approve the establishment of certain Regulations for the maintenance of order and discipline on board Your Majesty's Ships in which Your Majesty's Land Forces may be embarked; and whereas we are of opinion that it would be for the advantage of Your Majesty's Naval and Military Services to amend the above-named Regulations in some particulars, we humbly beg that Your Majesty will be graciously pleased by your Order in Council to cancel the said Regulations, and in their place to sanction the following—

"1. Whenever any of your Majesty's Land Forces, or any Royal Marines formed into a separate corps or battalion, shall be embarked as passengers in any of Your Majesty's ships, the officers and soldiers shall from the time of embarkation strictly observe the laws and regulations established for the government and discipline of Your Majesty's Navy, and shall for these purposes be under the command of the Senior Officer of the ship as well as of the Superior Officer of the Squadron, if any, to which such ship may belong.

"2. If any officer or soldier shall commit any act against the good order and discipline of the ship in which he is embarked, the Commanding Officer of the

ship may, by his own authority, and without reference to any other person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such officer or soldier to his superior officer, or if there be no senior officer present, to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial.

"3. If any officer or soldier commits any act which in the opinion of the Commanding Officer of the Troops requires a trial by Court-Martial, such Commanding Officer shall, with the concurrence of the Captain of the ship, cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and no Military Court-Martial shall be held on board any of Your Majesty's ships in commission.

"4. If any private soldier shall commit any act against the good order and discipline of the ship, the Commanding Officer of the ship, if he thinks the case requires the infliction of any summary punishment for which the Regulations of Your Majesty's Navy warrant is necessary, shall apply for the concurrence, in writing, of the Commanding Officer of the troops, as to the nature and amount of such punishment, if any, to be inflicted, and upon obtaining such concurrence, in writing, shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1866, relating to summary punishments awarded by Commanding Officers. If the Commanding Officer of the troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the ship.

"5. The Commanding Officer of the troops, upon receiving a notification in writing to that effect from the Commanding Officer of the ship, may, in respect of minor offences committed by any of the troops embarked, award such summary punishments as are permitted by the Regulations of Your Majesty's Navy to be awarded without a warrant. Your Majesty's Secretary of State for War and His Royal Highness the Field Marshal Commanding-in-Chief have signified their concurrence to these Regulations."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereafter accordingly.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission do not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight or Benefactor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will, at any future time be allowed to accept the Decoration of another Order of the same Order, to which he may have become entitled by increase of rank in the Foreign service, or in the service of his own country, or any other distinctive mark of

perils of the sea, are pleased in place of the Decoration created by Our Warrant of the 7th March, 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect in gold, surrounded with a garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the late Prince Consort, and suspended from a dark blue ribbon of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

It is ordained that each Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the 'London Gazette,' and a copy thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhy.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given Under Our Court at St. James's, this twelfth day of April, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

By Her Majesty's command,

S. H. WALPOLE.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to assist of their being worn,—and for granting Clasp and Bars for subsequent acts of bravery, in cases where a Medal

has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasp when awarded by the Humane Society.

By Command of their Lordships,

W. G. BOWEN.

To all Commanders-in-Chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

(To take effect from the 1st October, 1870.)

This notice is issued by the Secretary of State for the Colonies, for the information of officers wishing to retire from Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer privileges to that class of settlers in the acquisition of Crown lands.

1. Colonies which offer Privileges.

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia and Honduras.

2. Officers entitled to Privileges.

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; (b) Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil

Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. Nature and Extent of Privileges.

In British Columbia a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz.:

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

In Honduras a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz. :—

	£.
Field Officers of 25 years' service and upwards, in the whole	800
Field Officers of 20 " " " "	600
Field Officers of 15 " " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 30 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1863.

6. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage the *bona fide* settlement of naval and military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the

Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

The UNION ASSURANCE SOCIETY has now been in existence for upwards of One Hundred and Sixty Years.

The Invested Funds of the Company exceed ONE MILLION AND A QUARTER STERLING; which, in conjunction with the guarantee of an influential and wealthy Proprietary, enable the Company to offer to intending Assurers the most absolute security.

FIRE DEPARTMENT.

The Directors are ready to receive Proposals for insuring Property generally, in Great Britain and Ireland, at equitable Rates, and according to the risk to be protected.

LIFE DEPARTMENT.

Four-fifths of the Office Profits are appropriated to the benefit of the Assured every five years, thus giving them nearly all the advantages of a Mutual Company, but without any risk or liability whatever.

During the last thirty years the BONUS has averaged upwards of One Pound Ten Shillings per Cent. per Annum on the Sum Assured.

The Bonus can either be applied in increasing the Sum Assured, in reducing the Amount of the Annual Premium, or its present value can be received in Cash.

Where the Bonus has been applied to reduce the Annual Premiums, considerable reductions have been made; and in many instances the present with the past Bonus additions will completely extinguish all future Premiums payable under the Policy.

Officers in the Royal Navy or in H.M. Marine Forces can insure by uniform Annual Premiums, not subject to increase on their being ordered abroad or residing in any part of the world.

The following are the Whole-world Rates for an Assurance of £100, on the life of a Naval Officer, exclusive however of the risk incurred in actual warfare.
